TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 4(e) Other: The response filed 3/14/2006 includes a non-compliant listing of claims. This response appears to simultaneously reintroduce claims (e.g. claims 23-43 listed with the modifier "New claims") then immediately cancel these claims. It appears applicant may intend claims 106-126 to be currently pending in the case. However, applicant has also included what appears to be a final listing of claims that includes claims 1-22 which were previously presented and cancelled. The examiner is unable to determine the accurate listing of claims that applicant intends to be pending. Applicant should submit a complete listing of only those claims that applicant intends to be presently pending for examination with a listing of "Cancelled", as appropriate, by those claims that were previously pending and are now cancelled. Only the text of those claims currently pending, and not cancelled, should be submitted.
